## Respected Principal Sir / Madam

First of all, I would like to express my heartfelt gratitude to you on behalf of Kaladarpan Art Academy for giving me the opportunity to interact with you here today.

Education is not just a matter of bookish knowledge, but a process of all-round development of students. The element of "art" has a very important place in this development. Since 2009, Kaladarpan Art Academy has been working for our service. Art not only introduces students to colors, but also builds their imagination, peace of mind, confidence and expression.

Kaladarpan Art Academy is an attempt to awaken the artist within the students in a similar way. Our aim is "To give every student a platform where he can shape his talent." In today's competitive era, students are not only useful for getting marks; they also need to have aesthetic vision, creativity and emotional understanding. And this is the place where "art" fills in.

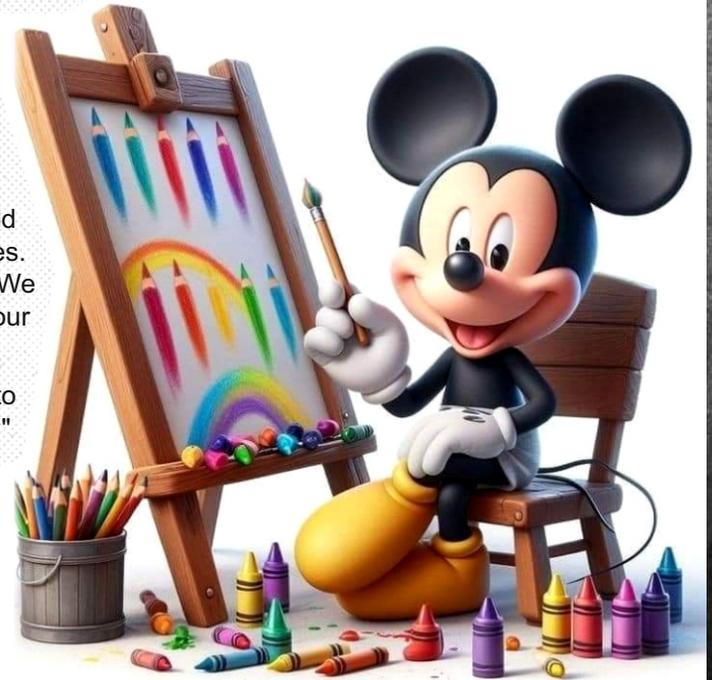

My humble request is that the students of our school should also be given the opportunity to participate in such artistic activities. Various competitions, exhibitions are organized by our academy. We would like to invite our students to all these things. For this, your guidance, cooperation and inspiration are very valuable.

Finally, I would like to say one thing – "Let us come together to create a confluence of quality education and creativity." Thank you very much for your valuable time.

Thank you!

**Prof. Pallavi Govind Ghodake**

## COMPETITION FOR SCHOOL TEACHERS & PARENTS

The kaladarpan art academy this year has come up with an interesting idea to involve all school teachers in the competition that primarily involves coloring and sketching. This initiative is intended to provide teachers with a chance to relive their school days and display their artistic abilities in a different environment. It is a unique opportunity for the teachers to showcase their hidden talent and creativity.

The responsibility of ensuring that the teachers make the best use of this opportunity lies on the shoulders of the students, who need to encourage and motivate their teachers to participate and give their best. The teachers' enthusiasm and dedication towards the competition will reflect positively on the school and will help the school stand out.

The kaladarpan art academy has also announced a surprise gift for the winner teacher. This gesture will further increase the teachers' motivation & interest in the competition. It is an excellent way to recognize & appreciate the teachers' efforts & encourage them to continue participating in similar activities in the future.

Coloring competition sheets will be provided by Kaladarpan for the art teachers of the participating school and interested parents.
